Notes

1. Payment Terms:

1. To qualify for discounts, payment must be made via invoice at least **seven calendar days before your event**. This ensures sufficient time for stock to be ordered and paid for by 53two.
2. If your event is booked at short-notice, we require that payment is still made on time. This may require additional effort from the booker to facilitate.
3. If payment is not made on time, the drink package will be made available to you at the full bar price. Payment must be made on arrival, before any drinks are served.
4. In the exceptional event that 53two agree for payment to be made after an event by invoice, 53two will issue an invoice for the agreed amount, plus a **5% administration fee** to cover additional costs incurred in processing, follow-up, and loss of immediate payment. This invoice must be paid **within five calendar days** of issue to avoid late fees (£5 per day thereafter).
 1. In agreeing to pay by invoice post-event, the booker agrees to the terms above.

2. Licensing Restrictions:

1. Unused stock cannot be removed from the premises. Refunds or returns for unused items are not permitted.

Contact Us:

To order a drinks package or discuss bespoke options, please contact ***will@53two.com*** at least **fourteen calendar days prior to your event** to allow adequate time for arrangements to be made.

*All prices are accurate as of **01 January 2026** and are subject to change.*
