

53two Tech Spec

Staging:

Stage is at ground level for access. Steel Deck (8 x 4ft) Staging can be added.

Lighting:

EOS ETC Nomad Desk on Macbook.

See LX Plan for rig. Please note, in some cases, this may vary slightly.

Sound:

2 x K & M Speaker stands

1 x GX5 Amplifier

2 x OHM CT12 Speakers

2 x Wharfdale Pro Bass Bins

Spirit Folio (Soundcraft) 12 Channel Desk

Seating:

150 x banquet chairs/stools

Tiered seating banks (93 seats) as standard. Other seats added at floor level (rows or cabaret style) to make to 150 capacity.

The theatre/events space is a versatile tunnel allowing for different configurations depending on your needs. Proscenium arch is standard but other layouts are available at an extra cost. With 150 seats, playing space is circa 16ft x 16ft (plus or minus 2/3ft with removal of flats).

Maximum capacity - 150

Access:

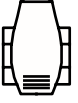

The venue is wheelchair accessible throughout.

Changing:

The venue is currently in development. As such, changing areas are limited however, there is an area to change in privately and seating.
